

Features

- * First choice of power management equipments in Public Radio system.
- * 8 channels timing sequence ON/OFF.
- * Remote Control (Power On +24V DC Signal) 8 channels timing sequence ON/OFF, It's effective when the power switch lock is marking OFF.
- * When the remote control is effective at the same time control the rear panel ALARM port conduction, a cascade control ALARM function.
- * Single channel maximum load power is 2200W, all channels total power load is 6000 W.
- * Input connector: high power line code of power connector.
- * Output connector: utility power socket.

Specifications

Model	TS-820
Rated Output Voltage	AC220V/50Hz
Rated Output Current	30A
Controllable Power Source	8ways
Every Road Action Delay Time	1second
Power Supply	VAC 50/60Hz 25A
Single Rated Output Power Supply	20A
Dimensions	484x295x44mm
Weight	4.52Kg
